to me

Pincode shipping -Estimate shipping

Option for next day delivery or standard in parcel and courier

Refine search for the full website

Refine search on every page apart from front page

Lines need removing

Number visible at the top

Companies logo needs to slow down speed

Banners on left not showing in mobile version

See if category box can be made bigger so picture can be viewed better

Double pictures still showing when hovering

When on a product only 1 picture appears at the bottom if there is 2, all p

Tile calculator issue needs to be resolved in mosaics etc

Price for buy a sample needs to be inputted

Change font of matching floor decor tiles etc

Price per meter, but tiles to be sold per tile only

Need 2 prices meter price and tile price

Checkout like better bathrooms, so customers just tick adhesive grout spa

Google adverts, how we can get on top in shopping bit

Total price at bottom update, so if any1 choses 2 meters it should update

Search people...
